INTERIOR

This nine-passenger interior features a four place club arrangement in light tan leather and a single seat across from a three- place divan covered in same light tan leather and a belted lavatory seat. The five seats feature adjustable recline, swivel, side motion, and headrest/armrests. All woodwork is done in a hi-gloss medium brown tone. Single tone beige carpet throughout the floor and side panel. The interior has many storage options – a large baggage compartment is located opposite entry door and additional closet in aft cabin plus under seat storage drawers. Cabin Audio & Video Entertainment system includes Airshow 4000, two 15" LCD monitor mounted in the fwd & aft cabin bulkhead and a dual disk DVD player. Six cabin speakers, and two subwoofers included. The forward galley includes microwave, coffee maker, miniature liquor storage, ice/cold stowage drawer with heated overboard drain and a large waste bin. Aft lavatory features a flushing toilet with external servicing. Refurbished in 2015 by Aviation Interior Group.
